

How does your garden grow?

GLASS GNOMES & FLOWERS

with Gail Frick

Saturday, May 11, 2024 9 am – 12 noon

*Gail Frick has been working with fused glass for over 10 years.
One of her favorite things about glass is it's endless possibilities.
She invites you to fall in love, too!*

Students will explore the wonderful world of kiln-formed glass while creating a one-of-a-kind garden decoration. Kiln formed glass is an art form where separate pieces of glass are subjected to high heat (1200 F to 1600 F) to “fuse” the pieces together.

- learn about cutting glass, the physics of glass and the art of glass
- a hands-on learning environment
- your pieces will be fired, slumped and finished for you to enjoy

Class fees

Cost for the class:
TVAL members: \$115
non-members: \$125
*All materials provided
(\$50 value)
plus firing of your piece!*
