### President's Message

First of all, welcome to the TVAL board of directors, Susan Driver and Amy Hutto. Susan and Amy stepped forward at the last member's meeting and volunteered to serve on the board. Susan will serve as member-at-large and Amy will be taking over the duties of secretary. Both bring a wealth of welcome experience and capability to the board.

While thanking Amy and Susan, I want to extend special thanks to Mary Ford for her unselfish and dedicated service in multiple positions on the board, most recently board secretary. She has been a cheerful mainstay of TVAL for many years, always a positive influence on all of us. Thank you Mary for your service and your friendship and continued support.

Speaking of board meetings, the board will be meeting at the gallery on the third Thursday each month at 9:00 AM. All members are invited to attend these meetings; we only ask that you notify the secretary (Amy Hutto) a day or two ahead of the meeting so can make sure there is available space and seating. If you have interest in serving on the board or simply want to observe or ask questions, you are welcome.

I am excited about our upcoming January meeting/party/potluck. What a great opportunity to get to know more about TVAL and each other. See you then!

Mike
