

Artist Profiles on Our Website

The Thompson Valley Art League provides its members with a profile and a 'works' page on our website with links to your website. This is an opportunity for sharing your artwork with people who might like to own it.

Here's how it works for you:

- Submit your information (see below) for posting on the website.
- Include the Lincoln Gallery/TVAl website address (www.lincolngallery.com) in your email signature, website, business cards, brochures, wherever you promote your artwork.

When people ask for a website where they can see your work, give them the Lincoln Gallery/TVAl website. If you don't yet have your own website, this is a good one to use. It shows professionalism and has the added benefit of letting people know you are part of an established artist organization.

Submitting Your Information:

Send the following via email to our webmaster at dandelion@dandeliongroup.com:

- Text for your profile – Artist Statement and/or Bio -- include:
 - your name (as you want it to appear on the website)
 - city where you live
 - media you work in
- Photo of you in a jpeg file
- One image of your artwork in a jpeg file (72ppi and 1200 pixels on the longest side gives sufficient quality for the website and keeps the file size down to less than 2mb.)
- Links to your website or blog.
