

Mike Baron Book Signing - October 11, 2018 5:30p-6:30p at the Lincoln Gallery in Loveland

Mike Baron is the creator of Nexus (with artist Steve Rude) and Badger two of the longest lasting independent superhero comics. Nexus is about a cosmic avenger 500 years in the future. Badger, about a multiple personality one of whom is a costumed crime fighter. First/Devils Due is publishing all new Badger stories. Baron has won two Eisners and an Inkpot award and written The Punisher, Flash, Deadman and Star Wars among many other titles.

Baron has published seven novels, Banshees, Domain, Helmet Head, Whack Job, Biker, Sons of Privilege and Skorpion. Banshees is about a satanic rock band that returns from the dead. Helmet Head is about Nazi biker zombies. Whack Job is about spontaneous human combustion. Biker is hard-boiled crime about a reformed motorcycle hoodlum turned private investigator. Skorpion is about a ghost who only appears under a blazing sun.

In 2017, Liberty Island will publish all six Bad Road Rising novels, including Biker, which is available now.

Mike Baron has written for The Boston Phoenix, Boston Globe, Oui, Fusion, Creem, Isthmus, Front Page Mag, and Ellery Queen's Mystery Magazine.

He lives in Colorado with his wife Ann and some dogs.
