

Sunday, Nov. 17, 2024, 1 – 4 pm

Students will explore the wonderful world of kiln-formed glass. Kiln formed glass is an art form where separate pieces of glass are subjected to high heat (1200 F to 1600 F) to “fuse” the pieces together. Students will be able to choose from several patterns including, but not limited to, Santa, snowman, gingerbread man/woman, gingerbread house, penguin.

- learn about cutting glass, the physics of glass and the art of glass
- a hands-on learning environment
- your pieces will be fired, slumped and finished for you to enjoy

Class fees

Cost for the class:

TVALL members: \$90

non-members: \$100

*All materials provided,
plus firing of your piece!*
